HE's Coming

“Behold, I am Coming quickly” JESUS said. HE is coming, because HE has said so. The word quickly should be better understood here from The Greek as meaning “suddenly”. Thus, when HE comes, it will be sudden in its appearance, breaking into the world to get HIS church, HIS people, and take them to heaven for the marriage and its consummation. It has been the promise of the ages. Many have looked for HIM, many have expected Him, yet we are in a position prophetically to actually see HIM. Many of the signs that He told us to look for are in place, and others are casting a shadow backwards to indicate where we are. The birth of Israel, the rise of Europe, growing anti-Semitism, the movement of all nations progressively more and more against Israel, the return of many Jews from foreign lands back to their spiritual birthplace. Other events of global economies, the high-tech systems for both monitoring all finance and business, and the tracking of all people, the rise of violence, the cult of self-worship, wars, rumors of wars, natural disasters, and the list goes on and on. But GOD said, “do not fear”. HE is coming. And HE is coming for you; if you are HIS. GOD has stretched HIS hands open and said: “whosoever wills.” GOD’s door and heart are open. Seek HIM while HE may be found, call upon HIM while HE is still near. Eternity is too long a time to be wrong.

The Heart of The Matter

Arise!!

Isaiah 60:1 Arise, shine; for thy light is come, and The Glory of THE LORD is risen upon thee.”

GOD has not forgotten you. HE has not left you. Reach for HIM, take hold of HIM. Never let HIM go. HE will be better than your best dreams, greater than your wildest imaginations. Learn HIS Ways, trust HIM, rest in HIM. With GOD, everything, everything is going to be alright!.

Are you ready?

If JESUS were to return tonight, are you ready? Have you finished your race? Have you kept your faith? Have you fought the good fight? If not, let's get busy, for tomorrow will come, and Jesus' Return is surer than tomorrow. We must make an assessment of where we are, and also know where we need to be.

Ask GOD. Get your Bible out. Search your soul. We sometimes spend more time planning our vacation than our life. People don't typically plan to fail, but they all too often fail to plan. Make a plan with GOD. Get busy. Stay on track, pursue, persist, persevere. Your persistence in doing

what is right will overcome all and any resistance. And if you make a mistake or miss something, be fluid with GOD; adapt. There is a saying: no battle survives without a plan, and no plan survives a battle. Things change. Adapt with GOD, adapt to GOD; HE will give you the strategy. To be ready; get ready, now.

Have you finished?

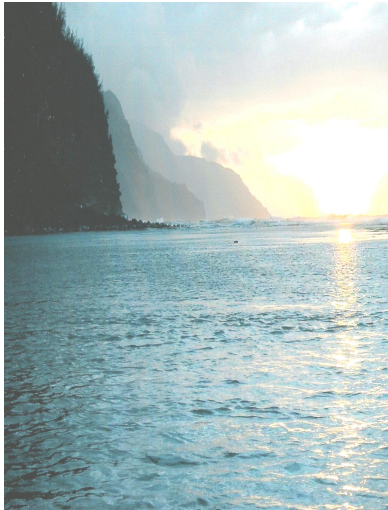

What have you finished with GOD? What have you finished for GOD? When you have done what must be done at a certain level, GOD will take you to another. From glory to glory, from strength to strength, from faith to faith. Keep moving. Move from where you are to the next step

with GOD. Always assess where you are, where you're going, and make sure that you have finished your present step before even attempting to move to the next. For the next step is based on your present and you must finish it to GOD's Satisfaction in order to move forward

where you are. Watch carefully those who you let speak into your life. If what they say are not the words of truth and from GOD, disregard them. But, be careful; do not judge the messenger, but check the contents carefully. If its from GOD receive it, even if your flesh doesn't like it. Period.

For HIS Glory

Did you know

that there are five books to the book of Psalms? Why are there five divisions in the book of Psalms? Look carefully. For example, you will see book 5 of Psalms starts at Psalm 107, and ends at 150. As a Jew, you would read each of the five divisions of The Book of Psalms with each of the first five books of The Bible. You would know that Isaiah 53 really starts at Isaiah 52:13,

three verses earlier. You would also know that Genesis 2 really started at Genesis 2:4, and that Joel 2:28-32 is really a whole separate chapter in a Hebrew Bible; read as chapter 3. You would know that Proverbs 3 starts out by saying: “Trust to THE LORD”, not “trust in THE LORD”, and you would know why. Get re-introduced to The Bible, through Hebrew eyes, and read it for the first time.

Rev 22:12

“And, behold, I come quickly; and my reward is with me, to give every man according to what he has done.”

Your Hebrew Lesson

The Hebrew Language is The Language of The Bible, it is The Language of GOD. The nineteenth letter in The Hebrew Alphabet is the cof. It’s deeper intrinsic meaning deals with: least, final. It represents the number 100. Remember, Hebrew is an alpha-numeric system. For example, the word: holy is in The Hebrew = kadosh. It literally means: The least/final

door that man has established is destroyed. The concept here, in this word picture as seen at a deeper level where we translate individual letters like scenes in a movie from which one derives the word-picture, see? Thus, to be holy, is where any and all, even to the final door-obstruction-separation is destroyed, allowing man now to be free to operate in

dominance from his true nature as a spiritual being over and through his soul, over and through his body. *We are to be holy, as GOD is holy (Leviticus 11:44, Leviticus 19:2). Seeing The Bible through Hebrew eyes is a must. Be holy, a necessary step in being free in CHRIST.*

What do you say when

you are dying? Now that depends on how much time you have. If you have time for but one thought, why don’t you do what our JESUS HIMSELF said: “FATHER, into your hands, I commit MY SPIRIT.” If you have a little more time, add on what HE also said,

in essence, that you would say about all that offended /sinned against you in your life: “FATHER, forgive them, I forgive them, they do not know what they are really doing.” Leave the world free; without a grudge, without fear, without unforgiveness

in your heart. Remember what is most important. Also, make sure that you have told your family about GOD, about reading The Bible, about heaven and hell. About life, the real one. And how some decisions made here, last forever. Be an example.
