# Your Hebrew Lesson

The Word That is necessary to Learn here is The Hebrew Word for: heart. It is: LEV. LEV is Spelled: Lamed-Bet, in one of It's Two Forms.

One of IT's Deeper Meanings is: The Authoritative Teaching that Governs The Tabernacle where you live. This is important. For The Heart is

The Key for you, a spirit Being. For Blessed are The Pure in Heart, for they shall see GOD. Mt.5:8. Now as we Repent and come to be cleansed by "The Living Sacrifice" Romans 12:1, and see our online catalog at forHISGlory.org, connextion, for a Teaching on this subject,

# What do you say when

Someone says they don't know what to do with their lives, they don't know why they're here, they wished they knew. Tell them there is a way, and a process. The first, just to begin to zero in on it, ask them things that they are good at without really trying, and things they like to do, gravitate to do whenever they're free,

and what they wish they could do if they had more time. This is a starting point, only, but a good one. Then they need to work their way through our monthly Teachings from January 2016 through present, to receive a thorough grounding and process-and Protocols to follow to directly more and more experience the knowing

of The Answer to their life; people this is most important, even critical. There is only one life that you are supposed to live, your own, and unless you live that one and only that one, everything else, will not last, even if it is a good work but not your work to be done, you will receive no credit for it, your life must be lived, to live.
