New Covenant Torah:

A thorough analysis of The Letter to The Galatians, giving correction, instruction, and clarification to the saints of JESUS CHRIST; as timely now as when It was first written; learn It well to meet the need and define your faith in no uncertain terms. Come and See...

Galatians

Galatians 1

--- **1** Paul, an apostle (not from men nor through man, but through YESHUA HAMASHIACH = JESUS CHRIST and GOD and FATHER who raised Him from the dead), **2** and all the brethren who are with me,

To the churches of Galatia:

3 Grace to you and peace from GOD THE FATHER and ADONAINU YESHUA HAMASHIACH = our LORD JESUS CHRIST,

4 WHO gave HIMSELF for our sins, that HE might deliver us from this present evil age, according to The Will of our GOD and FATHER, 5 to WHOM *be* Glory forever and ever. Amen.

Only One Gospel

6 I [marvel](#) that you are turning away so soon from HIM WHO called you in The Grace of MESSIAH, to a different gospel,

7 which is not another; but there are some who trouble you and want to pervert The Gospel of MESSIAH - CHRIST.

8 But even if we, or an angel from heaven, preach any other Gospel to you than what we have preached to you, let him be accursed.

9 As we have said before, so now I say again, if anyone preaches any other Gospel to you than what you have received, let him be accursed.

10 For do I now persuade men, or GOD? Or do I seek to please men? For if I still pleased men, I would not be a bondservant of MESSIAH = CHRIST.

Call to Apostleship

(cf. Acts 9:1–25)

11 But I make known to you, brethren, that The Gospel which was preached by me is not according to man.

12 For I neither received it from man, nor was I taught it, but *it came* through the revelation of YESHUA HAMASHIACH = JESUS CHRIST.

13 For you have heard of my former conduct in Judaism, how I persecuted the church of GOD beyond measure and *tried to* destroy it.

14 And I advanced in Judaism beyond many of my contemporaries in my own nation, being more exceedingly zealous for the traditions of my fathers.

15 But when it pleased GOD, who separated me from my mother's womb and called *me* through HIS Grace,

16 to reveal HIS SON in me, that I might preach HIM among the Gentiles, I did not immediately confer with flesh and blood,

17 nor did I go up to Jerusalem to those *who were* apostles before me; but I went to Arabia, and returned again to Damascus.

Contacts at Jerusalem

(*cf. Acts 9:26–31*)

18 Then after three years I went up to Jerusalem to see Peter, [fn1] and remained with him fifteen days.

1:19 But I saw none of the other apostles except Jacob = James, THE LORD's brother.

1:20 (Now *concerning* the things which I write to you, indeed, before GOD, I do not lie.)

1::21 Afterward I went into the regions of Syria and Cilicia.

Galatians1:22 And I was unknown by face to the churches of Judea which *were* in MESSIAH = CHRIST.

Galatians 1:23 But they were hearing only, “He who formerly persecuted us now preaches the faith which he once *tried to* destroy.”

Galatians1:24 And they glorified GOD in me.

Galatians 2

Gal 2:1 Then fourteen years after I went up again to Jerusalem with Barnabas, and took Titus with me also.

- Gal 2:2 And I went up by revelation, and communicated unto them That Gospel which I preach among the Gentiles, but privately to them which were of reputation, lest by any means I should run, or had run, in vain.
- Gal 2:3 But neither Titus, who was with me, being a Greek, was compelled to be circumcised:
- Gal 2:4 And that because of false brethren unawares brought in, who came in privily to spy out our liberty which we have in MASHIACH YESHUA = CHRSIRT JESUS, that they might bring us into bondage:
- Gal 2:5 To whom we gave place by subjection, no, not for an hour; that the truth of The Gospel might [continue](#) with you.
- Gal 2:6 But of these who seemed to be somewhat, (whatsoever they were, it makes no matter to me: GOD accepts no man's person:) for they who seemed *to be somewhat* in conference added nothing to me:
- Gal 2:7 But contrariwise, when they saw that the gospel of the uncircumcision was committed unto me, as *the gospel* of the circumcision was unto Peter;

- Gal 2:8 (For HE that wrought effectually in Peter to the apostleship of the circumcision, the same was mighty in me toward the Gentiles:)
- Gal 2:9 And when James, Cephas, and John, who seemed to be pillars, perceived the grace that was given unto me, they gave to me and Barnabas the right hands of fellowship; that we *should* go unto the heathen, and they unto the circumcision.
- Gal 2:10 Only *they would* that we should remember the poor; the same which I also was forward to do.
- Gal 2:11 But when Peter was come to Antioch, I withstood him to the face, because he was to be blamed.
- Gal 2:12 For before that certain came from Jacob = James, he did eat with the Gentiles: but when they were come, he withdrew and separated himself, fearing them which were of the circumcision.
- Gal 2:13 And the other Jews dissembled likewise with him; insomuch that Barnabas also was carried away with their dissimulation.

- Gal 2:14** But when I saw that they walked not uprightly according to The Truth of The Gospel, I said unto Peter before *them* all, If thou, being a Jew, livest after the manner of Gentiles, and not as do the Jews, why compellest thou the Gentiles to live as do the Jews?
- Gal 2:15** We *who are* Jews by nature, and not sinners of the Gentiles,
- Gal 2:16** Knowing that a man is not justified by the works of The Torah = the law, but by The Faith of [Jesus Christ](#), even we have believed in YESHUA HAMASHIACH = Jesus Christ, that we might be justified by the faith of Christ, and not by the works of The Torah: for by the works of The Torah shall no flesh be justified.
- Gal 2:17** But if, while we seek to be justified by Christ, we ourselves also are found sinners, *is* therefore Christ the [minister](#) of sin? God forbid.
- Gal 2:18** For if I build again the things which I destroyed, I make myself a transgressor.
- Gal 2:19** For I through the law am dead to the law, that I might live unto GOD.

Gal 2:20 I am co-crucified with MESHAIH: nevertheless I live; yet not I, but Christ lives in me: and the life which I now live in the flesh I live by The Faith of THE SON OF GOD, WHO loved me, and gave HIMSELF for me.

Gal 2:21 I do not frustrate The Grace of GOD: for if righteousness *come* by The Torah, then CHRIST is dead in vain

Thou shall: Remember the poor.

Galatians 3

Gal 3:1 O foolish Galatians, who hath bewitched you, that ye should not obey the truth, before whose eyes Jesus Christ hath been evidently set forth, crucified among you?

Gal 3:2 This only would I learn of you, Received ye THE SPIRIT by the works of the law, or by the hearing of faith?

Gal 3:3 Are ye so foolish? having begun in THE SPIRIT are ye now made perfect by the flesh?

- Gal 3:4 Have ye suffered so many things in vain? if *it be* yet in vain.
- Gal 3:5 He therefore that ministers to you THE SPIRIT, and works miracles among you, *doeth he it* by the works of the law, or by the hearing of faith?
- Gal 3:6 Even as Abraham believed GOD, and it was accounted to him for righteousness.
- Gal 3:7 Know ye therefore that they which are of faith, the same are the children of Abraham.
- Gal 3:8 And The Scripture, foreseeing that GOD would justify the heathen through faith, preached before the gospel unto Abraham, *saying*, In thee shall all nations be blessed.
- Gal 3:9 So then they which be of faith are blessed with faithful Abraham.
- Gal 3:10 For as many as are of the works of The Torah are under the curse: for it is written, Cursed *is* every one that continues not in all things which are

written in the book of the law to do them.

Gal 3:11

But that no man is justified by the law in The Sight of GOD, *it is* evident: for, The just shall live by faith.

Gal 3:12

And the law is not of faith: but, The man that doeth them shall live in them.

Gal 3:13

MESSIAH = CHRIST has redeemed us from the curse of The Torah = the law, being made a curse for us: for it is written, Cursed *is* every one that hangs on a tree:

Gal 3:14

That the blessing of Abraham might come on the Gentiles through YESHUA HAMASHIACH = JESUS CHRIST; that we might receive the promise of THE SPIRIT through faith.

Gal 3:15

Brethren, I speak after the manner of men; Though *it be* but a man's covenant, yet *if it be* [confirmed](#), no man disannulleth, or addeth thereto.

Gal 3:16

Now to Abraham and his seed were the promises made. He said not, And

to seeds, as of many; but as of one,
And to thy seed, which is Christ.

Gal 3:17

And this I say, *that* the covenant, that was confirmed before of GOD in MESSIAH = CHRIST, THE TORAH = the law, which was four hundred and thirty years after, cannot disannul, that it should make the promise of none effect.

Gal 3:18

For if the inheritance *be* of the law, *it is* no more of promise: but GOD gave *it* to Abraham by promise.

Gal 3:19

Wherefore then *serveth* the law? It was added because of transgressions, till the seed should come to whom the promise was made; *and it was ordained* by angels in the hand of a mediator.

Gal 3:20

Now a mediator is not *a mediator* of one, but GOD is ONE.

Gal 3:21

Is the law then against the promises of GOD? GOD forbid: for if there had been a law given which could have

given life, verily righteousness should have been by the law.

Galatians 3:22 But The Scripture hath concluded all under sin, that the promise by faith of YESHUA HAMASHIACH = Jesus Christ might be given to them that believe.

Gal 3:23 But before faith came, we were kept under the law, shut up unto the faith which should afterwards be revealed.

Gal 3:24 Wherefore the law was our schoolmaster *to bring us* unto Christ, that we might be justified by faith.

Gal 3:25 But after that faith is come, we are no longer under a schoolmaster.

Gal 3:26 For ye are all the children of GOD by faith in MESSIAH YESHUA = CHRIST JESUS.

Gal 3:27 For as many of you as have been baptized into MESSIAH have put on MESSIAH.

Gal 3:28 There is neither Jew nor Greek,
there is neither bond nor free, there
is neither male nor female: for ye are
all one in YESHUA HAMASHIACH =
CHRIST JESUS.

Gal 3:29 And if ye *be* Christ's, then are ye
Abraham's seed, and heirs according
to The Promise.

Galatians 4

Galatians 4:1 Now I say, *That* the heir, as long as he
is a child, differs nothing from a
servant, though he be lord of all;

Gal 4:2 But is under tutors and governors until
the time appointed of the father.

Gal 4:3 Even so we, when we were children,
were in bondage under the elements
of the world:

- Gal 4:4 But when the fullness of the time was come, GOD sent forth HIS SON, made of a woman, made under The Torah = the law,
- Gal 4:5 To redeem them that were under the law, that we might receive the adoption of sons.
- Gal 4:6 And because ye are sons, God hath sent forth the Spirit of his Son into your hearts, crying, Abba, Father.
- Gal 4:7 Wherefore thou art no more a servant, but a son; and if a son, then an heir of God through Christ.
- Gal 4:8 Howbeit then, when ye knew not GOD, ye did service unto them which by nature are no gods.
- Gal 4:9 But now, after that ye have known GOD, or rather are known of GOD, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage?
- Gal 4:10 Ye observe days, and months, and times, and years.

- Gal 4:11 I am afraid of you, lest I have bestowed upon you labour in vain.
- Gal 4:12 Brethren, I beseech you, be as I *am*; for I *am* as ye *are*: ye have not injured me at all.
- Gal 4:13 Ye know how through infirmity of the flesh I preached the gospel unto you at the first.
- Gal 4:14 And my temptation which was in my flesh ye despised not, nor rejected; but received me as an angel of God, even as [Christ Jesus](#).
- Gal 4:15 Where is then the blessedness ye spake of? for I bear you [record](#), that, if it *had been* possible, ye would have plucked out your own eyes, and have given them to me.
- Gal 4:16 Am I therefore become your enemy, because I tell you the truth?
- Gal 4:17 They zealously affect you, *but* not well; yea, they would exclude you, that ye might affect them.

- Gal 4:18 But *it is* good to be zealously affected always in *a good thing*, and not only when I am present with you.
- Gal 4:19 My little children, of whom I travail in birth again until Christ be formed in you,
- Gal 4:20 I desire to be present with you now, and to change my voice; for I stand in doubt of you.
- Gal 4:21 Tell me, ye that desire to be under the law, do ye not hear the law?
- Gal 4:22 For it is written, that Abraham had two sons, the one by a bondmaid, the other by a freewoman.
- Gal 4:23 But he *who was* of the bondwoman was born after the flesh; but he of the freewoman *was* by promise.
- Gal 4:24 Which things are an allegory: for these are the two covenants; the one from the mount Sinai, which gendereth to bondage, which is Agar.
- Gal 4:25 For this Agar is mount Sinai in Arabia, and answereth to Jerusalem which

now is, and is in bondage with her children.

Gal 4:26 But Jerusalem which is above is free, which is the mother of us all.

Gal 4:27 For it is written, Rejoice, *thou* barren that bearest not; break forth and cry, thou that travailest not: for the desolate hath many more children than she which hath an husband.

Gal 4:28 Now we, brethren, as Isaac was, are the children of promise.

Gal 4:29 But as then he that was born after the flesh persecuted him *that was born* after the Spirit, even so *it is* now.

Gal 4:30 Nevertheless what saith the scripture? Cast out the bondwoman and her son: for the son of the bondwoman shall not be heir with the son of the freewoman.

Gal 4:31 So then, brethren, we are not children of the bondwoman, but of the free.

Galatians 5

Gal 5:1 Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage.

Gal 5:2 Behold, I Paul say unto you, that if ye be circumcised, Christ shall profit you nothing.

Gal 5:3 For I testify again to every man that is circumcised, that he is a debtor to do the whole Torah of Moses / law.

Gal 5:4 Christ is become of no effect unto you, whosoever of you are justified by The Torah / the law; ye are fallen from grace.

Gal 5:5 For we through THE SPIRIT wait for the hope of righteousness by faith.

Galatians 5:6 For in Jesus Christ neither circumcision availeth any thing, nor uncircumcision; but faith which works by love.

*SHALL NOT CIRCUMCISE FOR
BECOMING A NEW COVENANT
BELIEVER.*

Circumcision means nothing,
uncircumcision means nothing.

*SHALL HAVE A FAITH THAT WORKS
BY LOVE.*

Gal 5:7

Ye did run well; who did hinder you
that ye should not obey the truth?

*SHALL NOT BE HINDERED BY
OTHERS CAUSING YOU TO DISOBEY
THE TRUTH.*

Gal 5:8

This persuasion *cometh* not of HIM
that calleth you.

Gal 5:9

A little leaven leavens the whole
lump.

Gal 5:10

I have confidence in you through THE
LORD, that ye will be none otherwise
minded: but he that troubles you

shall bear his judgment, whosoever he be.

Gal 5:11

And I, brethren, if I yet preach circumcision, why do I yet suffer persecution? then is the offence of the cross ceased.

Gal 5:12

I would they were even cut off which trouble you.

Galatians 5:13

For, brethren, ye have been called unto liberty; only *use* not liberty for an occasion to the flesh, but by love serve one another.

THOU SHALT NOT:

*USE YOUR LIBERTY AS AN OCCASION
FOR THE FLESH.*

THOU SHALT:

*SERVE ONE ANOTHER THROUGH
LOVE.*

Gal 5:14

For all The Torah/the law is fulfilled in one word, *even* in this; Thou shalt love thy neighbor as thyself.

Thou shalt:

LOVE THY NEIGHBOR AS THYSELF

Gal 5:15

But if ye bite and devour one another, take heed that ye be not consumed one of another.

Gal 5:16

This I say then, Walk in THE SPIRIT, and ye shall not fulfil the lust of the flesh.

Thou shalt:

WALK IN THE SPIRIT

Thou shalt not:

FULFIL THE LUST OF THE FLESH.

Gal 5:17

For the flesh lusts against THE SPIRIT, and THE SPIRIT against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would.

Thou shalt:

Passover-Unleavened Bread-First Fruit-Shavuot=Pentecost

Gal 5:18

But if ye be led of THE SPIRIT, ye are not under The Torah/the law-(of Moses).

Thou shalt:

BE LED OF THE SPIRIT

Thou shalt not:

BE UNDER THE TORAH/THE LAW-(OF MOSES).

Gal 5:19

Now the works of the flesh are manifest, which are *these*; Imorality,

impurity, uncleanness,
lasciviousness,

Gal 5:20 Idolatry, witchcraft, hatred,
variance, emulations, wrath, [strife](#),
seditions, heresies,

Gal 5:21 Envyings, murders, drunkenness,
revellings, and such like: of the
which I tell you before, as I have also
told *you* in time past, that they which
do such things shall not inherit The
Kingdom of GOD.

Gal 5:22 But the fruit of THE SPIRIT is love,
joy, peace, longsuffering,
gentleness, goodness, faith,

Gal 5:23 Meekness, self-control: against such
there is no Torah.

**Thou shalt: produce through THE
SPIRIT of GOD in your Life:**

Gal 5:24

And they that are Christ's have crucified the flesh with the affections and lusts.

Thou shalt:

HAVE CRUCIFIED THE FLESH WITH
THE AFFECTIONS AND LUSTS

Gal 5:25

If we live in THE SPIRIT, let us also walk in THE SPIRIT.

Thou shalt:

LIVE IN THE SPIRIT

Thou shalt:

WALK IN THE SPIRIT

Gal 5:26

Let us not be desirous of vain glory,
provoking one another, envying one
another.

Thou shalt not:

1. BE DESIROUS OF VAIN GLORY
2. PROVOKE ONE ANOTHER
3. ENVYING ONE ANOTHER.

Gal 5:1

For freedom Christ free us: stand firm
therefore, and be not entangled again with/in a
yoke of slavery

You shall

stand firm

You shall not

Not be entangled again with/in a yoke of slavery

Galatians 6

- Gal 6:1 Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted.
- Gal 6:2 Bear ye one another's burdens, and so fulfill the law of Christ.
- Gal 6:3 For if a man think himself to be something, when he is nothing, he deceives himself.
- Gal 6:4 But let every man prove his own work, and then shall he have rejoicing in himself alone, and not in another.
- Gal 6:5 For every man shall bear his own burden.
- Gal 6:6 Let him that is taught in the word communicate unto him that teaches in all good things.

- Gal 6:7** Be not deceived; God is not mocked: for whatsoever a man sows, that shall he also reap.
- Gal 6:8** For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to THE SPIRIT shall of THE SPIRIT reap life everlasting.
- Gal 6:9** And let us not be weary in well doing: for in due [season](#) we shall reap, if we faint not.
- Gal 6:10** As we have therefore opportunity, let us do good unto all *men*, especially unto them who are of the household of faith.
- Gal 6:11** Ye see how large a letter I have written unto you with mine own hand.
- Gal 6:12** As many as desire to make a fair show in the flesh, they constrain you to be circumcised; only lest they should suffer persecution for The Cross of MESSIAH = CHRIST.
- Gal 6:13** For neither they themselves who are circumcised keep the law; but desire to have you circumcised, that they may glory in your flesh.

Gal 6:14 But GOD forbid that I should glory, [save](#) in the cross of our LORD JESUS CHRIST = ADON YESHUA HAMASHIACH, by WHOM the world is crucified unto me, and I unto the world.

Gal 6:15 For in MASHIACH YESHUA = CHRIST JESUS neither circumcision avails any thing, nor uncircumcision, but a new creature.

And as many as walk according to this rule, peace *be* on them, and mercy, and upon The Israel of GOD.

Gal 6:17 From henceforth let no man trouble me: for I bear in my body the marks of the Lord Jesus.

Gal 6:18 Brethren, the grace of our Lord Jesus Christ *be* with your spirit. Amen.[\[fn1\]](#)

The Next Step now... "The Real Thing"

4. Malaysian airlines mh370, of July, 2015, confirmed flight went down with all 239 people on board are now likely to be deceased. 227 passengers, 12, crew =239, from 15 nations = i.e.2015 = 9-23-2015.

The ocean floor where the multinational taskforce looked was up to 23,000 feet deep in the early search area.

Daily Mail: August 30, 2015 The Malaysia Airlines ghost flight may have been flown to its maximum altitude as part of a terrifying 'suicide mission'. Passengers and crew are feared to have suffocated when oxygen levels ran out as it spent 23 minutes at up to 45,000ft.

Flight MH370 – What happened
With the plane not on auto-pilot, in a descent with

unconscious pilots, one may think the plane would crash, but this is where flight mechanics, aircraft stability and flight controls play a role in what happened to flight MH370. As the plane descended on its own, (without auto-pilot and unconscious pilots) it would continue to pick up speed to a point where the increasing speed creates more and more lift over the wings. When more and more lift is created, this force causes the plane to pitch up. The plane may have descended to 23,000 feet before it began the pitch up maneuver. At that point, the aircraft is pitched up and begins a climb. It will continue to climb until the atmosphere becomes thinner and thinner and less and less lift is produced over the wings. This would typically occur at 45,000 feet. This roller coaster ride would continue between those two altitudes until the aircraft no longer has fuel to power the engines.

5. The tsunami of the earthquake-9.1 -2004, third largest ever recorded till then lasting up to about 10 minutes. 230,000 people killed from 15 nations affected average. The force was 23,000 times more powerful than the atomic bomb dropped on Nagasaki, Japan in ww2 time frame, by pres. Harry Truman. The hardest hit city in Indonesia was Banda Aceh, that in 2004 had a population of 239,000, according to the united nations and world bank.org

In The Geophysical Research Letters, 2008, vol. 35, we see that the earthquake was 9.23 on the Moment Magnitude Scale. Another international group pub. Their evidence on USGS.gov, that the MMS was 9.22, and their vast, intense, measurements went down even to the millimeters.

6. Hurricane Ivan: September 2-24, 2004

To share a prediction:

On July 15, 2015, Fox News's [Shepard Smith reported](#) on a new study that predicts that Oregon, Washington, and parts of Northern California are way overdue for an intense, margin rupture earthquake. The predicted **9.2** and subsequent tsunami could, according to the Federal government, cost as many as 13,000 lives in the Pacific Northwest.

Predicted at Cascadia subduction zone: runs for 700 miles along the Pacific Northwest—would be the worst disaster in North American history-worst in

North American Tectonic plate would slip

Another, Juan de Fuca plate, trying to go under it; if and when it does—tsunamis towards Japan and then 15 minutes later, also back unto us.

Predicting a 9.2 (a margin rupture quake) earthquake—scientists say we are “overdue”. Would be worse than Katrina, worse than San Francisco earthquake of 1906.

A seven hundred miles long tsunami with up to a 100 foot of water. FEMA: ‘everything west of Interstate 5, from Washington state on down, would be severely affected—gone.’

About 7 million people affected, not including tourists. About 1 million buildings would be damaged, according to FEMA studies.

These earthquakes occur in The N.W. Region with historic regularity, with the last one was on Jan. 26, 1700, registering a 9.2 on The Richter Scale.

Cascadia has averaged an earthquake every 243 years over the last 10,000 years. There have been 41 monster quakes along the Cascadia Subduction Zone

in that period.

The last one was 314 years ago
 The Pacific Northwest is 71 years overdue
 for its next massive earthquake.

Last week (1st week of September) a large microwave pulse was seen targeted down on Northern New Zealand.

After several weeks (months) of relative seismic silence across New Zealand, with nothing showing above M6.0

earthquake range --- NOW an earthquake swarm with two different events measuring above M6.0 has struck near the same location as the Microwave pulse.

An earthquake warning was issued for New Zealand in light of this giant energy pulse, and now we see NZ has been hit by an earthquake swarm.

8/26/2015 -- Yellowstone Alert -- Man burned + Dogs killed in Idaho Hot Springs @ EQ Swarm spot
A man was severely burned, and both his dogs burned alive in boiling hot water inside the normally temperate Panther Hot Springs located near Challis Idaho.

Challis, Idaho is the exact same location seeing the EARTHQUAKE SWARM, and where the USGS installed new monitoring equipment this past year.

Full story here with links to the previous items showed in the video:

I'd like to point out this isn't a case of a tourist falling into a

hot spring at Yellowstone, this is normally a swimmable hot springs many miles West of Yellowstone (In central Idaho). The man was hiking, and his dogs jumped in to the water not knowing the water was now boiling.

The "official" story is that the "cold water" that normally goes in to the spring may be not so cold due to the drought, however this is just speculation, not based on any real science data.

More about the location.....

This location is also along the Western portion of the newly discovered much larger magma chamber of the Yellowstone Super volcano, now confirmed to reach down over 30 miles, and cover an overall mass of 11+ Grand Canyons worth of magma below the ground across central Idaho, reaching North into Montana from Wyoming.

coast. Major effect at Manmouth mountain, which is another volcano.

Higgs Boson Particle was discovered. Now going after discovering other particles

The LHC has doubled its power, and is opening up again its LHC on 9/23.2015 to open another inter-dimensional portal

“Cern opens its doors to the world.”

Looking for dark matter, could be as early as September 23, 2015 when it ‘fires up’ again is the key to open portals.

Black hole –entrance, white hole, exit, is the basic of a wormhole. Start small with a wormhole, tiny size, and then gradually increase its size.

Cern opening its 1XX1 doors on 9/23, 2015.

Will use the particles to create conditions to “re-animate” human flesh, to provide bodies for demonic spirits, such as the nephillim. Not at all good; no good ever.

Potential theory was a 3-26 seconds opening: black hole, as of 6 years ago.

LHC is a star-gate potential.

Potential for opening a gate to another dimension of time-space=time travel possible.

Ultimate purposes of cern include:

1. Portals
2. Interdimensional travel
3. Re-animating flesh for dark side-including nephillim spirits
4. shiva is another r name for satan in the occult.
5. When fallen was turned on, an indian girl; Chayya, 16 years old, feared that the world was going to end took it so seriously she killed herself.
6. Name Cern was originally a French name::

The 3x6s are the logo for CERN – Centrale européenne pour la recherche nucléaire – on the French/Swiss border, but underneath it is the celtic name for herne the hunter: cernunnos: horned god in the wikkian faith – god of the underworld.

As cern is built over an area used to called apolliacum, over an area where the pagan sun god Apollo is: It just so happens that the little French town of [Saint Genis-Pouilly](#), where CERN is, was

built upon the ancient Roman town Apolliacum – which was named after its temple ... the temple of Apollyon – or Abaddon the Destroyer ... which happened to be the name of the fallen angel of the Abyss (Revelation 9:11).

THE DARK UNIVERSE: Top CERN Scientist Accidentally Identifies the Year 2015

Published on Aug 28, 2015

Dr. Tara Shears speaks at a TEDx Talks forum about Dark Matter, anti-matter, and the potential for discovery of dark particles in 2015. She starts out with a definitive statement "2015 is the..." then changes to "may provide the answer." It seems like she was pointing out that 2015 would be the year of discovery of dark particles. This would make sense with another top CERN scientist who said Dark Matter would be discovered "as early as September."

Keep in mind that, according to physicist David LaPoint, "dark matter" and "dark energy" do not exist, and CERN might have another purpose...

They feel they may find: the dark universe, extra dimensions, super symmetry, as early as Sept. 2015.

This is from the CERN website 2 April 2015:

“”We hope to continue to study the Force, and perhaps use it to open doors with our minds and fly around and stuff,” said TIE experimentalist Fan Buoi.

“Right now, to be honest, I don’t really care how it works. The theory department have some crackpot idea about life forms called midi-chlorians, but frankly I think that poorly thought out explanations like that just detract from how cool the Force really is.”

Now, remember, the last Class: The Return of THE LORD, where we discuss canaan, the son of ham, the son of Noach, and how he went post-flood to Mt. Herman to discover and uncover the mysteries of the pre-flood watchers, that descended on MT. Hermon, and used it to once again, bring about hybrids-nephillim, and giants into the earth; sinning against GOD and man; again do we ever learn?! Mt. Hermon, in the north of Israel, was the entrance point for the fallen angels in the rebellion against GOD when they came to earth and took the daughters of men and had offspring by them.

Oct. 9 , 2013 Bloomberg) -- The Geneva research center that made the most important find in particle physics in half a century, helping explain how the visible universe holds together, is tapping developing nations to help fund its follow-up act.

CERN's observation of a Higgs boson last year led to a Nobel Prize in Physics yesterday for Peter Higgs and Francois Englert for their theoretical work predicting the particle's existence. CERN is now considering new multibillion-dollar projects that may prove that other dimensions exist and track what happened after the Big Bang formed our universe.

"It took us 50 years to complete our description of the visible world," CERN Director General Rolf-Dieter Heuer said at a press conference yesterday. "It's high time to go into the dark universe. To open that window would be just great."

Robert Orr, a University of Toronto physicist who was involved with the latest development said that if the discovery can be confirmed, the possibilities of what else can be found are amazing.

“Once the Higgs matter is settled, we’ll be excited by the next 10 or 15 years of new discoveries,” Orr told a news conference in Toronto. “And they may be really dramatic new discoveries. Some people think there might be other dimensions of space and time we’ll discover.”

Did you know that a United Nations outpost at the top of Mt. Hermon exists? The same mountain that the fallen angels came down to earth, through a portal-gate there?!

The United Nations Disengagement Observer Force (UNDOF) maintains an area of separation [between the Golan Heights and Syria], which is over 75 kilometres long and varies in width between approximately 10 kilometres in the centre to 200 metres in the extreme south. The terrain is hilly and is dominated in the north by **Mount Hermon**, which is the location of the *highest permanently manned United Nations position* at an altitude of 2,814 metres. The area of separation is inhabited, governed and policed by the Syrian authorities. No military forces other than UNDOF are permitted within it.

Jewish Prophecies-Insights

Upcoming Jewish Holidays Begins Period of Cataclysmic Events for Israel

By Adam Eliyahu Berkowitz August 23, 2015 , 10:30 am

“Also on the tenth day of this seventh month there shall be a day of atonement: it shall be an holy convocation unto you; and ye shall afflict your souls, and offer an offering made by fire unto THE LORD... For whatsoever soul it be that shall not be afflicted in that same day, he shall be cut off from among his people. And whatsoever soul it be that doeth any work in that same day, the same soul will I destroy from among HIS people.”(Leviticus 23:26-29)

You don't need prophetic vision to know that the world is on the verge of a new period heralding in global changes unlike any ever seen before. The signs are obvious and the pieces are all in place. With the Jewish holiday's fast approaching, God's plan for change and redemption is unfolding before our very eyes with grave implications for the nation of Israel.

The Jewish New Year, Rosh Hashana, will begin on the evening of September 13 and end after sunset on September 15. According to Jewish tradition, Rosh Hashana is the day that GOD begins the process of judging the entire world. It is called, in Hebrew: Yom HaDin

This year's Rosh Hashana is especially unique in that it will signal the end of the Shemittah year, the Sabbatical year which occurs in a seven year cycle. According to the Talmud, the written text explaining the oral Torah,

THE MESSIAH will come in the year following the Shemitah year.

As the second and final day of the holiday of Rosh Hashana ends on September 15, the 70th United Nations General Assembly will commence. The issue of the creation of a Palestinian state is expected to be decided by world representatives during the General Assembly. While not having yet happened, the upcoming session is already fraught with tension as it is unclear whether the US will continue to use its veto to prevent the Palestinians from unilaterally declaring a state.

Conflict over the Holy Land is prophesied to be part of the process of redemption. In Zechariah 12:6, the end times are described: "On that day I will make the clans of Judah like a flame that sets a woodpile ablaze or like a burning torch among sheaves of grain. They will burn up all the neighboring nations right and left, while the people living in Jerusalem remain secure." In Amos 9:15, we are told that once the Jews are re-established in their land, "they will not again be rooted out from their land."

Religious leaders have characterized the Iran deal as a cataclysmic and fiery conflict as part of the apocalyptic war of Gog and Magog. In Ezekiel, chapters 38 and 39,

this was is described as involving several nations, none of whom border Israel. However Persia (Iran) is specifically mentioned as a main actor of the war.

It should be remembered that Israeli Prime Minister Benjamin Netanyahu gave his fateful address to Congress protesting the Iranian deal on March 3, the day before the Jewish holiday of Purim. Purim celebrates the Jewish victory over Haman, an officer in the Persian court, known today as Iran. *Jewish holidays indeed play a significant role in the process of heavenly warning to the nations.*

Concluding the Days of Awe is the holiday of Yom HaKippurim, known as the Day of Atonements on which God seals his judgments. Yom Kippurim is the holiest day of the year and this year, of 2015, Yom HaKippurim = Day of Atonements is on September 23. Oddly enough, September 22 (evening),²³.

Yom Kippurim, is also the same day on which Obama has chosen to host Pope Francis at the White House on his first visit to the United States.

Pope Francis, in his role as leader of the Catholic world, has chosen to [involve himself in the Israeli-Palestinian conflict](#), **recently recognizing** the “State of Palestine.”

The weeklong Jewish Holiday of Sukkot, the Feast of Tabernacles, begins September 27-evening -28, is also

the last of [the four blood moons](#) in a special tetrad cycle. Previous lunar tetrad cycles have coincided with important historical events that impacted the nation and State of Israel. For example, four blood moons followed the establishment of the State of Israel in 1948. In 1967, before the Six Day War in which a divided Jerusalem was liberated and united by Israel, there was one blood moon with three following.

The upcoming blood moon will be clearly visible from Jerusalem as a supermoon, as the moon “is going down” (but not ‘out’; cf. : Romans chapters 9-11) and a similar pattern of eclipses happened just before and just after the destruction of the Jewish Temple by the Romans in 70 AD.

Two happened right in a row at the time of destruction of the temple in 70 A.D. and on feast days,” he said.

“Around eight months before the Temple was destroyed we find on 10/18/69 there was a partial lunar eclipse on the Feast of Sukkot. A total solar eclipse followed this on Nisan 1-3/30/70, the beginning of the religious year. Two weeks later there was a penumbral lunar eclipse on Passover on 4/14/70. An annular solar eclipse followed this on Rosh Hashanah on 9/23/70. Then another penumbral

lunar eclipse on Sukkot on 10/8/70,” he explained.

Apocalyptic Weather Around World Sign of Fulfillment of Biblical Prophecy

By Rivkah Lambert Adler August 5, 2015 , 11:30 am

” ‘For behold, the day is coming, burning like a furnace; and all the arrogant and every evildoer will be chaff; and the day that is coming will set them ablaze,’ says the LORD of hosts, ‘so that it will leave them neither root nor branch.’ ” (Malachi 3:19)

Extreme weather is everywhere, but perhaps nowhere more dramatically than the scorching heat [recently](#)

[reported](#) over [Iran](#), where the heat index has been as high as 164°F (73°C). Similar temperatures are being recorded in Iraq.

Where do we find this extreme weather in [Biblical prophecy](#)? In the tiny, three chapter long Book of Malachi, we find a clear reference “to a day that will burn like a furnace.” (Malachi 3:19):

For, behold, the day comes, כִּי הֵנָּה הַיּוֹם בָּא

it burns as a furnace; and all the proud, and all that work wickedness, shall be stubble; and the day that comes shall set them ablaze, says THE LORD of armies, that it shall leave them neither root nor branch.

In a recent [blog post](#), Rabbi Lazer Brody, popular Israeli author and lecturer, reminded his readers of the ***prediction of Jewish sages*** that, as [redemption](#) gets closer, “God will remove the sun from its covering. The righteous shall heal in its heat but the wicked shall be doomed in it.”

Iran and Iraq are far from alone in experiencing tumultuous weather events in recent months.

A recent YouTube [video](#) compiling news sources of the sudden extreme weather around the world only highlights further the international apocalyptic-type weather currently taking place. News clips of deadly floods in the Midwestern US, wildfires in California and Saskatchewan, blazing temperatures in Tennessee and Indiana, clusters of earthquakes in Alaska, threatened

eruptions of Mexico's Volcano of Fire and much more illustrate the unprecedented meteorological occurrences.

On July 27, 2015, thunder and lightning over Moscow was so severe, at least one [news report](#) called it “apocalyptic”. On that one day, Moscow received over 40 percent of the rainfall it typically gets in an entire month.

The Science Alert website, which reports on science news, recently published a prediction that, based on the sun's solar cycles, the entire earth could experience [a second ice age within 15 years](#).

Have our prophets warned us about this pattern of extreme weather events? The End of Times blogger known as Tomer Devorah lists close to [20 Biblical sources](#) of dramatic changes in the earth that have been prophesied since ancient times.

Rabbi Nir Ben Artzi, a mystical rabbi from southern Israel who publishes a [weekly column](#) about world events, connects all these news stories about extreme weather to the coming

redemption. In nearly every weekly message, he warns that God is demonstrating His mastery over nature.

“The forces of nature: Every place with evil will go up in flames; there will be earthquakes, floods, winds, storms and volcanic eruptions,” Artzi explained. “God is thinning out the impurities in the world and burning them.”

After Hundreds of Years, Closely Guarded Secret of the Messiah's Arrival Revealed

By Adam Eliyahu Berkowitz August 18, 2015 , 8:30 am

“Then after the sixty-two weeks, the Messiah will be cut off and have nothing, and the people of the prince who is come to destroy the city and the sanctuary. And its end will come with a flood; even to the end there will be war; desolations are determined.”
(Daniel 9:26)

A secret closely guarded for hundreds of years concerning the Messianic process was recently revealed. The secret, which was told to the world in May, explains how recent geopolitical events fit into the

Messianic process.

Rabbi Moshe Shturnbuch, a respected rabbi in the Orthodox Jewish community, is the holder of the newly revealed information. Descended from a long line of prestigious rabbis, Rabbi Shturnbuch is the great grandson of **Rabbi Elijah of Vilna (also known as the Vilna Gaon)**, a Jewish scholar from the 18th century who is well known for his contributions in understanding the [Messianic process](#).

The announcement of the Messianic revelation, originally [publicized](#) by Rabbi Lazer Brody, raised many eyebrows. Said shortly before his death, the Vilna Gaon explained, “When **you hear that the Russians have captured the city of Crimea, you should know that the times of the Messiah have started, that his steps are being heard. And when you hear that the Russians have reached the city of Constantinople [today’s Istanbul], you should put on your Shabbat clothes and don’t take them off, because it means that the Messiah is [about to come any minute.](#)**”

In March 2014, the first part of the Vilna Gaon’s Messianic message came true when Russia annexed the internationally recognized Ukrainian territory of Crimea. The second part of the secret regarding Istanbul may come to fruition through the Iran nuclear deal.

Though relations between Iran and Turkey are generally considered to be friendly and productive, Turkey is a moderate Islamic state threatened by expanding Islamic extremism in the region. The recent nuclear deal between P5+1 powers and Iran may lead to conflict in the region, with Russia, a close ally of Iran, stepping in to [fulfill the prophecy](#).

Rabbi Brody also noted that at around the same time as Rabbi Shturnbuch made his revelation, Rabbi Yaakov Aryeh Alter, the leader of the Ger Hassidic dynasty, was quoted as saying, “Mir halt mitl arein in Megilla fun Geula,” we are now in the midst of the story of redemption. When asked which chapter we are in, he remained silent.

*“Then God will bring back your captivity and have mercy on you, and He will gather you in from all the peoples to which He, your God, has scattered you.”
(Deuteronomy 30: 3)*

A walk around the streets of Jerusalem can be an eye-opening experience. Jews come in all shapes, sizes, and

colors. After 2,000 years of Diaspora, Jews are returning from literally every corner of the globe, bringing with them a genetic, historical, and cultural diversity that is unparalleled by any other nation, except perhaps the United States. The [ingathering of the exiles](#) is yet another part of the process of redemption, as promised in Deuteronomy, and in many places in the Prophets (Jeremiah 29:14; Ezekiel 11:17; Isaiah 56:8; Psalms 106:47).

Immigration to Israel is called *aliyah*, literally translated as “rising up”. For American Jews, that process usually begins with a decision made from the comfort of their home with an established support system from various American and Israeli institutions, such as [Nefesh b’Nefesh](#) (“Soul to Soul”), as *Breaking Israel News* reported recently.

Sometimes, as with [Ethiopian Jews](#), *aliyah* more closely resembles the Exodus from Egypt. Theirs was a series of massive rescue missions, many of them covert, initiated by Israel, which mobilized its resources to save these long-lost brothers and sisters. Operation Moses, in late 1984, saved over 7,000 Ethiopian Jews and brought them to Israel. In 1991, Operation Solomon brought over 14,000 Ethiopian Jews to Israel in a miraculous Exodus of near-Biblical proportions.

There are other cases of the tribes of Israel becoming so scattered through history that the connection to Judaism was lost in the sands of time, making it very difficult even to locate them.

This was the case in a far-off corner of India, with a group of Jews now known as the [Bnei Menashe](#). They are called this because of their oral tradition that they are descendants of the Tribe of Manasseh, one of the 10 Lost Tribes.

These rediscovered Jews come from northeast India, in an area situated between Myanmar (formerly Burma) and Bangladesh. Also known as the Shinlung, the Bnei Menashe have an oral tradition, passed down for 2,700 years, which describes how the Assyrians invaded the Northern Kingdom of Israel in 721 BCE and took them into slavery.

They eventually escaped slavery and fled to Persia, and then Afghanistan. The Bnei Menashe then migrated toward Hindu-Kush and Tibet, eventually reaching Kaifeng in East Central China around 240 BCE.

[image: http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/114-israel%20bible.jpg](http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/114-israel%20bible.jpg)

It should be noted that there is a small community of [Jews in Kaifeng](#) who have mostly assimilated into the surrounding culture. The Bnei Menashe believe that while in China, their ancestors were enslaved yet again.

In 100 CE, the Bnei Menashe were expelled from China and their “leather scrolls” were burned. Some fled down the Mekong River into Vietnam, the Philippines, Siam, Thailand and Malaysia. Others went to Burma and west to India.

In 1894, Christian missionaries arrived in the region. The members of one family, called the Kuki family, recognized the Bible stories of the missionaries as belonging to their own oral tradition and converted, believing they were returning to the religion of their forefathers and of their ancestor “Manmaseh”.

In 1951, a Pentecostal minister named Tchalal claimed to have had a prophetic vision. In the vision, he was told that his people must return to their original land and

the religion they came from before the war of Armageddon. He had more visions and eventually wrote a letter to the State of Israel, asking permission to emigrate there.

The Jewish State was still very new at the time, and did not invite the Bnei Menashe to return to their ancestral homeland. Twenty years later, members of the Kuki family began investigating and realized that they were descendents of Jews.

They contacted Rabbi Eliyahu Avichail in Jerusalem, the founder of *Amishav*, an organization dealing with the dispersed of Israel. He took a strong interest in this very special group of Jews. Evidence of their Jewish roots abound in their oral history, including traditional songs that describe the Exodus from Egypt in detail, including water from a rock and their enemies drowning in the sea.

They also have retained many Jewish customs such as performing circumcision on the eighth day following birth, levirate marriages, offering sacrifices on altars and wearing prayer shawls that resemble the Jewish *talit* (four-cornered, fringed garment). Rabbinic authorities have ruled their status as “*safek* Jews” (possible, with a doubt). Since their Jewish status is not clear, or not without a small doubt, they undergo a

conversion process.

The return of the Bnei Menashe to their ancestral homeland is an ongoing process. On June 18, 78 Bnei Menashe arrived in Israel to become reunited with their people and their religion. Their flight was the first in a series of three, sponsored by the *Shavei Israel* organization, with the expected arrival of two more planes, bringing the total of newcomers to approximately 250.

Over 3,000 of the Bnei Menashe have already [returned to Israel](#) in fulfillment of Biblical prophecy while another 7,000 are still in India, waiting to make *aliyah*. There are approximately 4,000 Bnei Menashe practicing as Jews in northeast India and across the border in Myanmar.

Considering the long and tempestuous history of the Jewish dispersal after the destruction of the Second Temple, it is no surprise that there are many groups that show distinctive signs of having once been part of the Chosen People.

The Pashtuns, also called Afghans, or the sons of Pashtu, identify themselves by their ancient name “Bani Israel”, although they live today as Muslims. Most Pashtuns grow beards and side-curls, like Orthodox Jews. They have a tradition of performing circumcision on the

eighth day after birth and also perform levirate marriage. They wear a rectangular, fringeless garment. Pashtuns do not eat horse or camel meat. There is some evidence that they do not eat meat and dairy foods cooked together. The Sabbath is considered a day of rest and they light a candle to honor the day. They acknowledge that they are descended from the Hebrews, but since their conversion to Islam, they consider "*Yahoodi*" ("Jew") to be a derogatory word and have a strong hatred towards the Jews.

It has also been suggested that the Kashmiri in northern India are descended from Jews, though this has yet to be thoroughly investigated.

Marrano is a term that refers to Jews who were forcibly converted to Christianity as a result of the Spanish Inquisition. The effects were seen throughout the entire Iberian Peninsula, and though it is not generally known, the Inquisition continued in the New World. Many old South and Central American Churches still have artifacts proving this. The Belmonte Jewish Community in Portugal dates back to the 12th century and practiced Judaism in secret for over 500 years. They now practice their Judaism openly, and in 1996 established a synagogue called Beit Eliyahu.

There is a *Hasidic* (an Orthodox sect of Judaism) saying

that many ships cross the sea and no ship can follow another because they don't leave tracks. The return to your spiritual roots is a unique and powerful experience. It is a personal journey, but the service of God is traditionally a tie that binds people together. The concept of nation and homeland as an essential part of serving God is slowly returning to the world, and is certainly part of the process of redemption.

Rabbi Kanievsky Again Hints at Looming Arrival of the Messiah

By Adam Eliyahu Berkowitz August 19, 2015 , 2:24 pm

“And many peoples will come and say, ‘Come, let us go up to the mountain of the LORD, To the house of the God of Jacob; That He may teach us concerning His ways And that we may walk in His paths.’ For the law will go forth from Zion And the word of the LORD from Jerusalem. And He will judge between the nations, And will render decisions for many peoples; And they will hammer their swords into

plowshares and their spears into pruning hooks. Nation will not lift up sword against nation, And never again will they learn war.” (Isaiah 2:3-4)

image: <http://www.breakingisraelnews.com/wp-content/uploads/2015/07/rabbi-chaim-kanievsky.jpg>

Rabbi Chaim Kanievsky (C) has issued a call for Jews to move to Israel in preparation for the imminent arrival of the Messiah. (Photo: Dudi Friedman/ Wiki Commons)

Rabbi Chaim Kanievsky, one of the most prominent rabbinic authorities in mainstream Ultra-Orthodox Judaism, is said to have made a new reference to the

imminent arrival of the Messiah...

Upon inspecting the emergency system, which came about in reaction to the November terror attack at a Jerusalem synagogue that killed four Jewish worshipers and a Druze police officer, Rabbi Kanievsky stated, “By the holidays, the Messiah will come and there will be no need for you to install these emergency systems.”

[image: http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/46-Subscribe-Generic-600WIDE.jpg](http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/46-Subscribe-Generic-600WIDE.jpg)

It should be noted that in Hebrew, the phrase the rabbi used, could have several meanings based on the grammar, changing his message to “May it be that by the holidays, the Messiah will come and there will be no need for you to install these emergency systems.”

Rabbi Kanievsky, who has devoted his life to studying the Bible and serving God, has been [speaking of the](#)

[Messiah more often and in more immediate terms.](#)

Rather than give a general blessing, as is usual, the rabbi seems to have specified a possible time frame for the coming of the Messiah.

Following the massacre at the Jerusalem synagogue in November, Rabbi Kanievsky, seen here in a [video](#), was asked how to strengthen the public in the face of such horrors. Rabbi Kanievsky kept repeating, “*Kapara*”, an atonement. When pressed, he finally said, “An atonement before THE MESSIAH.”

Message From the Next World Comes to Israeli Mystical Rabbi, Warns of Imminent War

By Rivkah Lambert Adler August 26, 2015 , 9:30 am

“Be strong and courageous! Neither fear, nor be dismayed of them, for it is the Lord, your God who goes with you. He will neither fail you, nor forsake you.” (Deuteronomy 31:6)

image: <http://www.breakingisraelnews.com/wp-content/uploads/2015/08/gil-nachman-rabbi-amram-vaknin.jpg>

Rabbi Amram Vaknin (C) and his student Gil Nachman at a special prayer ceremony at Jerusalem's Western Wall.

(Photo: Gil Nachman)

For three and a half hours this past Saturday night, Rabbi Amram Vaknin, a 76-year-old Israeli mystic, fell to the floor as he received a warning from the next world.

From approximately 9 PM until 12:30 AM, in his modest home in the port city of Ashdod, Rabbi Vaknin was cautioned that war is coming to Israel very soon, the rabbi's student revealed to *Breaking Israel News*.

The most recent revelation from Heaven was given over to the rabbi from a small group, including the prophet Elijah and his own deceased rabbi, Rabbi Moshe Zrihan, along with Rabbi Vaknin's father and grandmother.

As [previously reported](#) by *Breaking Israel News*, Rabbi Vaknin receives periodic messages from the Next World, warning about events in Israel. Gil Nachman, a close student of Rabbi Vaknin's, told *Breaking Israel News*, "Pray that it's not going to be today, tomorrow or in two weeks."

Nachman recounted the specifics that Rabbi Vaknin received in the message. "The Muslims are going to contaminate the water, the fruits and vegetables. They are going to damage the electricity," he said. "And there are going to be people dying in the streets, thousands of people all over Israel."

Nachman urged that the Israeli water company, the electric company and food importers should be prepared for these attacks.

According to Nachman, Rabbi Vaknin was told that Arab

citizen of Israel and Member of Knesset [Hanin Zoabi](#) is the one planning it. Vaknin stated his belief that Zoabi is a spy for [ISIS](#) and [Hamas](#) and is providing the terror groups all the information they need to plan the attacks.

Why is this happening? According to Nachman, it is because the leaders of the generation “don’t want to do *teshuva* (to repent). They aren’t waking up. *Hashem* (God) wants to lead them in the right path. We all need to do *teshuva*.”

image: http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/165-Torah%20Codes%20DVD.jpg

Nachman said that in the past, Jewish leaders such as Moses and King David knew about decrees against the Jewish people before they happened. These great leaders took it upon themselves to repent first, but the leaders of today are telling others to repent without doing it themselves.

“Our weapon is not *Tzahal* (IDF), not Netanyahu, nobody. Only *teshuva*,” Nachman urgently told *Breaking Israel News*.

When asked what Rabbi Vaknin said people should concentrate their repentance on, Nachman mentioned four

things. Repent for “the inner sins that you hide away from people and the sins that people see. And *kibud av v’eim* (honoring your father and mother) is one of the most important things. And always say the truth of what’s in your heart. Be real. It’s all about *emet* (truth).”

“The war is very close. We have no choice. The *teshuva* of *Am Yisrael* (the Jewish nation) will determine the *rachamim* (mercy). But war is definitely coming,”

Nachman insisted. “We beg *Am Yisrael* to do *teshuva* as soon as possible, because we don’t want to see people dying. Stop thinking about material things. That’s not going to give you life. When *Moshiach* (Messiah) comes, material is not going to mean anything to anybody.”

“We’re getting close to the [big day of Moshiach](#). Before that happens, *Hashem* wants us to do *teshuva*. We have to be ready and prepared,” pleaded Nachman. “When we do real *teshuva*, *Hashem* will fight for us.”

Nachman concluded by recounting a teaching from the Talmud, the primary source of Judaism’s rabbinic tradition. The eagle approaches his baby eaglets in the nest very slowly. He makes sure that they notice him gradually, so as not to shock them, because they can die from such fear. Similarly, GOD does not want to hurt us. He’s warning us to wake up because HE’s about to rule the world, so He’s warning us little by little, in order that we recognize His approach. Every [earthquake](#), every terrorist incident, every battle, is a warning to wake up.

Through previous messages from Heaven, Rabbi Vaknin accurately predicted the “Gaza Freedom Flotilla” in May, 2010, the deadly fire in the Carmel forest in December of

2010 as well as Operation Pillar of Defense in 2012 and Operation Protective Edge in 2014.

Great Torah Sage Predicted Almost 100 Years Ago a Third World War Before Redemption

Great Torah sage Rabbi Yisrael Meir Kagan, known as the Chofetz Chaim, predicted almost 100 years ago that a Third World War will begin 75 years after the beginning of World War II.

The great sages of Israel are known for their exegesis and study of Torah law. Their intense devotion to God with every waking breath frequently transcends the material world. As such, divine messages are given over to them to pass on to the nation.

The author of the monumental work known as the Mishana Berurah, the Chofetz Chaim outlined the basis of laws Ashkenazic Jews still observe to this days. What is not

generally known about the Torah sage is that he was occasionally the recipient of divine message.

image: http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/195-Shofar%20eBook%202.jpg

According to the Hebrew language website [Sod Hachashmal](#), in one such case, the Chofetz Chaim predicted the war preceding the messianic age.

According to the prediction, the Chofetz Chaim said, “I received from the holy spirit that we are on the verge of a horrific war, that will end in 1945 (ה'תש"ה), but after that will come 10 sabbaticals to prepare for the messiah, and at the end of 10 sabbaticals which will end in the year 2015 (ה'תשע"ה), this is the time the messiah must come.”

“These were the words said by Rabbi Yosef Ben Porat, in the name of the Chofetz Chaim, who said during the First World War, that 25 years after it, another war will break out which will make the first one seem like a child’s game, and 75 years after that will come a third war, greater than the rest, making the second world war seem like a child’s game, and then the messiah will come. And just like the Second World War broke out 25 years after the beginning of the First World War, the third one will begin 75 years after the beginning of the Second world War.”

After winning the symbolic victory to fly the [Palestinian flag](#) at the United Nations in New York, Palestinian Authority (PA) President Mahmoud Abbas called for the same to be done in Jerusalem, the “eternal capital” of the Palestinians.

On Thursday, the UN General Assembly overwhelmingly voted in favor of a motion allowing the flying of flags of non-member states with observer status. This allows the Palestinian flag to now be raised in front of UN buildings. It is interesting to note that the only other country benefiting from this new rule is the [Vatican](#), which signed its first formal bilateral treaty [recognizing](#) Palestinian statehood in May. The Holy See has already announced that it will not exercise the privilege, asking that it not be named in the motion, despite [Pope Francis](#) being scheduled to address the General Assembly later this month.

Archbishop Bernardito Auza, the Vatican’s UN ambassador, told the assembly after the vote that “the Holy See has always respected the 70-year practice and tradition of the United Nations that there are only flags of member states that are flown at the United Nations.” But, he said, it didn’t object to the Palestinian proposal and respects the assembly’s decision.

119 countries supported the move while eight, including Israel, voted against it. 45 nations abstained. Canada, Australia, and the United States were among those few who voted against the motion. Despite not being recognized by the UN, 135 countries currently officially recognize the

Palestinian State.

Riyad Mansour, the Palestinian UN ambassador, praised the development.

“Of course we know that raising our flag will neither end the [Israeli] occupation nor solve the conflict immediately,” Mansour said. “But raising the flag will signal to our people everywhere ... that their freedom is inevitable, and the international community supports them in their journey for justice.”

Abbas will be greeted by the PA flag on 30 September, when he addresses the UN General Assembly in New York. In an interview with the official Palestinian news agency Wafa, Abbas praised those who supported “truth and justice,” and stated, “The struggle will continue until the Palestinian flag flies over our eternal capital, occupied Jerusalem”.

Israel’s ambassador to the UN, Ron Prosor, opposed raising the PA flag on the grounds that the Palestinians were “attempting to change longstanding protocols and traditions” of the UN. He was referring to the fact that the decision to raise the Palestinian flag at the UN Headquarters in Manhattan went against the previous UN protocol that did not allow the raising of flags belonging to non-member states.

History of Unmistakable Divine Wrath Serves as Warning for Fate of Nuclear Deal

By Adam Eliyahu Berkowitz August 27, 2015 , 12:30 pm

“And I will bless those who bless you, and the one who curses you I will curse, and all the families of the earth shall be blessed in you.” (Genesis 12:3)

Unmistakable divine messages can be tracked through history accompanying major world events. As US lawmakers deliberate the future of the nuclear agreement with Iran, American leaders should take a hint from history and understand the divine implications of their decisions. We have already seen that natural phenomenon can often be seen as divinely guided. Is it a coincidence that after announcing the nuclear deal Iran was hit with an [apocalyptic-like heat wave](#) and, in a separate incident, a [meteor](#)?

While the heavenly warning are clearer to some than others, a quick look at the timeline of the Israeli-Palestinian peace process and the accompanying natural disasters makes claims of coincidence lose their credibility.

October 30, 1991: US President George Bush, Sr. opened the Madrid Conference with an expectation that Israel would trade “Land for Peace”. As the conference progressed, what was later called the “Perfect Storm” develops in the North Atlantic, creating the largest waves ever recorded in that region. The storm traveled 1,000

miles from east to west, defying the more natural west to east pattern. One day later, on October 31, the storm struck the New England coast with 35 foot waves crashing into the Walker's Point home of President Bush in Kennebunkport, South Maine. His home was extensively damaged.

August 23, 1992: The Madrid Conference moved to Washington DC and the peace talks resumed. One day later, Hurricane Andrew, the worst natural disaster recorded in American history, hit Florida, causing an estimated \$30 billion in damage and leaving 180,000 homeless across the state.

January 21, 1998: Israeli Prime Minister Benjamin Netanyahu met with US President Bill Clinton at the White House and was greeted in an unwelcoming manner. Clinton and Secretary of State Madeleine Albright refused to have lunch with him. It was later that same day that the Monica Lewinsky scandal broke out.

January 16, 1994: President Clinton met with Syria's President Hafez el-Assad in Geneva . They discussed a peace agreement with Israel that included giving up the Golan Heights.

Within 24 hours, the powerful Northridge earthquake, which registered a 6.9 on the Richter scale, hit Southern California. The earthquake caused an estimated \$20 billion in damage, leaving 57 people killed and over 5,000 injured. The earthquake became the second most destructive natural disaster to hit the United States.

September 28, 1998: US Secretary of State Madeline

Albright gave a press briefing describing the final details of an American brokered agreement between PLO Head Yasser Arafat and Netanyahu. According to the deal, Israel would have been required to give up 13 percent of Judea and Samaria.

The same day, Georges, a category 4 hurricane, hit the United States Gulf Coast with winds of 110 mph and gusts of up to 175 mph. In terms of damage, it was the costliest hurricane since Hurricane Andrew, causing \$10 billion of damage and killing 604 people.

October 15-22, 1998:

Arafat and Netanyahu met at the Wye River Plantation in Maryland for five days of intensive talks as part of a continuation of Albright's plan that would force Israel to give up major areas of Judea and Samaria .

On October 17, Hurricane Madeline boiled over. Though it never made landfall, the resulting rains and tornados that hit southern Texas caused over \$750 million in damage and killed 31 people, affecting a quarter of the state.

The storm dissipated as the meeting ended in Maryland. On October 21, Clinton declared the hard-hit areas of Texas a major disaster area.

November 30, 1998:

Arafat arrived in Washington again to meet with Clinton. He proposed a Palestinian state with Jerusalem as the capital and began efforts to raise money. A total of 42 nations agreed to give Arafat \$3 billion, with Clinton pledging \$400 million and European nations pledging \$1.7

billion.

On the same day,
the Dow Jones average plunged 216 points,
and on December 1,
the European Market had its worst day in history.
Hundreds of billions of dollars of market capitalization
were wiped out in the US and Europe.

December 12, 1998:

Clinton landed in the Palestinian-controlled section of
Israel to discuss the “land for peace” process.
The House of Representatives votes four articles of
impeachment against him.

May 3, 1999:

Arafat was scheduled to declare an independent Palestinian
state with Jerusalem as its capital.

For two days,

tornadoes ravaged the center of America, concentrated in
Oklahoma and Kansas. 152 tornadoes touched down,
causing \$1.4 billion in damage, killing 50 and injuring
almost 900 people.

Arafat’s declaration was postponed to December 1999 at
the request of Clinton.

October 11, 1999:

Jewish settlers in 15 West Bank settlements are evicted
from their homes.

The Dow Jones financial averages loses 5.7 percent, in the
worst week since October 1989.

On October 15, the Dow lost 266 points. A hurricane hits

North Carolina.

The next morning, October 16, a magnitude 7.1 earthquake rocks the southwest US in the fifth most powerful earthquake in the 20th century. The earthquake was centered in the California desert and did little damage but was felt in three states.

August 13, 2005:

The day before the 9th of Av, commemorating the day on which both Jewish Temples in Jerusalem were destroyed, over 10,000 Jews were evicted from their homes in Gush Katif as part of the Israeli Prime Minister Ariel Sharon's "Disengagement" plan.

This disengagement was due to US pressure..

Less than two weeks later, Hurricane Katrina destroyed New Orleans and other parts of Louisiana, leaving thousands of Americans homeless and killing at least 1,833. Damage was estimated at over \$108 billion.

In Jerusalem, Tuesday set a new record for air pollution levels at 173 times the normal levels. Other parts of the country recorded their worst pollution levels in 75 years. Above the earth, NASA satellite imagery captured the massive sandstorm, showing Israel, Jordan, Lebanon, Egypt's Sinai Peninsula and parts of Syria covered in the yellow dust. Satellite data showed the dust cloud rose 600 meters into the air.

The muslims say, that the ka'aba stone was a star that fell at the feet of adam.

But note The Bible:

Isa ¶ How art thou fallen from heaven, O
14:12 Lucifer, son of the morning! *how* art
 thou cut down to the ground, which
 didst weaken the nations!

הַיֵּלֶל בֶּן־שָׁחַר O lucifer, son of the morning

In Islamic tradition, on the judgment day; mohammed said that the copper stone, which is the black stone – meteorite; located in the corner of the ka'aba, towards which all muslims, bow, will one day speak, and give wisdom to all who touch it,

Rev And deceives them that dwell on the earth by *the*
13:14 *means of* those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

Rev And he had power to give life unto the image of the
13:15 beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

Likely the image of the beast; the abomination that makes desolate.

For true worshipers, GOD said: 'never to do this'.

Deu 4:19 And lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, *even* all the host of heaven, shouldest be driven to worship them, and serve them, which the LORD thy God hath divided unto all nations under the whole heaven.

Act 7:42 But God turned away from them and gave them over to worship the host of heaven, as it is written in the book of the prophets: ***'It was not to me that you offered slain animals and sacrifices forty years in the wilderness, was it, house of Israel?'***

Act 7:43 ***But you took along the tabernacle of Moloch and the star of the god Rephan, the images you made to worship, but I will deport you beyond Babylon.'***

Baal worship is worship to allah.

Crescent moon and star were images of baal worship now morphed into the same worship of false gods who are no gods at all in islam, with the same images of the crescent moon and star!

Look at the attempt to move people away form The True Faith of THE LORD YESHUA HAMASHIACH when , mohammed calls the black stone: yameen allah –the right hand of allah, whereas in Truth: JESUS =YESHUA Alone is /THE RIGJHT HAND of GOD and seated at THE RIGHT HAND of GOD!

Psalm 110:1 ¶ [[A Psalm of David.]] The LORD said unto my Lord, Sit thou at my right

hand, until I make thine enemies
thy footstool.

To the muslim, the stone was originally white, and made black by 'taking their sins'. Blasphemy! Only THE TRUE SACRIFICE of YESHUA HAMASHIACH can-does-once and for all take away the sins of the world, all the sins of mankind, and make man right again with GOD;

Hand of God: Meteor Strikes Iran in Apparent Divine Judgment

By Adam Eliyahu Berkowitz August 13, 2015 , 7:30 am

“Now God caused sulfur and fire to rain down upon Sodom and Gomorrah, from God out of Heaven. He

overturned these cities and the entire plain, with all the inhabitants of the cities and the vegetation of the soil.” (Genesis 19:23-25)

<http://www.breakingisraelnews.com/wp-content/uploads/2015/08/space-sun-star-nature-fire.jpg>

[American Meteor Society:](#)

Records a Strike records multiple meteor impact events in Rasht and near Tehran.

A recent meteor strike in Iran has many interpreting the astrological event as an expression of GOD’s Will and a sign of future things to come against a country that has vowed to “wipe Israel off the map” despite the signing of a nuclear deal with world powers.

Iranian officials have [confirmed](#) that a significant meteor struck Avaj, a province of Qazvin, on July 31, with pieces of the large rock also hitting areas in Eshtahard, Alborz Province. Major damage in the area, located near the capital of Tehran, was confirmed in Iranian media by Mohammad Ali Ahani, director of the Qazvin Crisis Management Staff. Officials are still investigating.

Extreme natural events around the world, including a

[recent earthquake](#) that struck the Dead Sea in Israel, has many turning to Biblical prophecy to interpret the expression of GOD's Will. The meteor strike in Iran comes at the same time as an [unprecedented "heat dome"](#) hits the country, with apocalyptic-like near world record temperature heat index of 165°F.

[image: http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/171-LIBI%20iran%20iaf.jpg](http://www.breakingisraelnews.com/wp-content/uploads/useful_banner_manager_banners/171-LIBI%20iran%20iaf.jpg)

In attempting to understand God's will, natural events are frequently interpreted as part of His larger plan. In one example, the Bible explains that Sodom and Amorrhah are destroyed after being judged unfavorably (Genesis 19). The destruction of the evil cities, carried out by a natural disaster, is sometimes interpreted as having been struck by a meteor, with sulfur raining down from the heavens.

In the koran, the account of the destruction of Sodom is of baked clay stones raining down on the city, killing all but an old man whose wife remained behind.

It is interesting to note that the Iranians themselves have interpreted the recent meteor strike as a sign of the imminent arrival of their messiah. In Islam, the concept of the mahdi, the prophet mohammed's

successor, will bring peace and justice to the world.

The Islamic book “Asr al Zahoor” (The Age of Appearance) describes a prophecy in which a meteorite will rise in the East before the arrival of the mahdi. According to Islamic prophecy, his arrival will be accompanied by “a star with a luminous tail” and “a comet that will appear in the east, giving out an illumination.” According to reports out of Iran, many believe that the recent meteorite is the fulfillment of this prophecy.

The Washington Monument Represents Sun Worship

by DAVID on MAY 12, 2014

The Washington Monument will reopen today after being closed for nearly three years, since an earthquake caused widespread damage.

So what does this have to do with End Times Deceptions?

Because the Washington monument represents two different things, one to the public, one to 'the enlightened'.

For the public, it represents "*freedoms, patriotism, George Washington and leadership.*"

For the enlightened, the obelisk is a pagan symbol of the worship of the Babylonian god Nimrod, worship of the Sun, and ultimately of satan worship.

Obelisks are phallic (penis) symbols related to

the Egyptian Sun god, Ra. The 4 sides of the Washington Monument are aligned with the cardinal directions (i.e., east, west, north, and south). At the ground level each side of the monument measures 55.5 feet long, which is equal to 666 inches. The height of the obelisk is 555.5 feet, which is equal to 6,666 inches.

Most every false god dates back to the Babylon Empire, where the worship of Nimrod the Sun god, his wife Semiramus the moon goddess, and their immaculately conceived son Tammuz, were created by satan.

The legend of Nimrod is that he was killed and cut into 13 parts. His wife semiramus found 12 of the parts, but could not find the last one, his male member.

So she fashioned one to put on his body, and by the magic of her sorcerer, she claims to have become pregnant with his son Tammuz.

The same story was told in Egypt about Osiris being killed, Isis finding his body, and their

union produced the immaculate conception of Horus.

To honor Osiris the Egyptians created obelisks that represent his missing member.

One of those obelisks is now in the middle of the Vatican's St. Peter's Square.

Hopefully you see the humor in having an obelisk erected in St. Peter's Square. □

Seriously, it should tell you something about the Roman Catholic Church and their worship of pagan gods.

The Washington Monument isn't an actual Egyptian obelisk, but it represents the same thing.

Since the obelisk represents the male member,

and the pagan religions focus on the perpetual sexual union of Nimrod and Semiramus, the Washington Monument is aligned so that at 11am on December 25th, the sun causes the top of the shadow of the Obelisk to enter the bottom of the Ellipse, which is located just South of the White House.

The Ellipse represents the womb of Semiramus, so this recreates their sexual union, which causes the immaculate conception of their son Tammuz.

Many people will relate to December 25th as being the date of the birth of YESHUA = JESUS. However, it's likely that the early Church adopted this date because it was already so significant. It is the day at which people first saw the Sun move north again after reaching its winter extreme on the winter solstice and it was therefore seen as the birth date of a whole host of dying and reborn deities.

It represents the birth of Horus, Osiris, Attis of Phrygia, Krishna, Zoroaster, Mithra, Heracles, Dionysus, Adonis, Hermes, Bacchus,

Prometheus, and Sol Invicta (the Roman God, who was the living embodiment of the Sun) and of course, Tammuz

The obelisk represents Nimrod worship, Sun worship and Baal worship, which all ultimately is satan worship.

So the next time you see the Washington Monument or the obelisk in St. Peter's Square, you now know that you're looking at a symbol of Sun worship.

The Jesuits of the Roman Catholic Church have a high degree of influence in both America and Washington D.C.

Now we know why there are obelisks in New York Central Park and Washington D.C., the financial and governmental cities of America.

Revelation 17:6 *"I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus."*

"History of the Rise and Influence of the Spirit of Rationalism in Europe, Vol. 2" documents *"That the Church of Rome has shed more innocent blood than any other institution that*

has ever existed among mankind will be questioned by no Protestant who has a complete knowledge of history."

Historians estimate that during the Dark Ages and the Inquisition, the Roman Catholic Church killed over 50 million people whom they deemed as heretics, most of which were Christians who dared to own a Bible (which the Church forbid) or proclaimed the Gospel of Christ.

At one event, remembered as the *St. Bartholomew's Day Massacre*, an estimated 100,000 Huguenots (Protestant Christians in France) were slaughtered.

In Spain alone the number of condemned exceeded three million, with about 300,000 burned at the stake during the length of the Spanish Inquisition. (Source: Page 259 of an updated version of "Foxe's Book of Martyrs"; 2001; Publisher: Bridge-Logos.)

Nibiru =Bennu =PlanetX/ Planet 7X

Ref> John Moore Continuity of government contingency plan

Being tracked from Puerto Rico, and south pole as well.

Nibiru will cause coastal flooding

A planet-sized object will be 5-10 earth diameters from the earth; massive earthquakes, and tsunami like flooding in coastal area.

Coming in at an extreme rate of speed: passing through the Asteroid Belt, will disturb and affect other asteroids in the asteroid belt.

Nibiru coming up from the south.

Be very prepared on August 17th, or Sept. 26, 2015.

Debris field is about $\frac{1}{4}$ million miles wide.

Asteroid/planet is located between mercury and venus.

In 1982, Iras was launched, an infared scope, to look for objects in deep space in the infared range, and they found it. One astronomer said: "... all that is left is to name it."

Encyclopedia Britannica 1983 has a picture-drawing of a tenth planet (nibiru –Planet x) – pioneer 10 and 11 space probes were sent to get a triangulated fix on planet x. Found it at 4.7 billion miles away. And possible binary star at 50 billion years.

Trajectory is on course to cross planet earth, traveling on the ecliptic, approximately.

A nasa insider, 2012: "When you see this thing in the sky, you had better run as fast as you can to your underground facilities. This thing is loaded with red iron oxide. It's tail is loaded with debris millions of miles long."

Torah Code by Rabbi Glasserson: Asteroid, Tishrei, 776 =(5)775, a warning from/before THE GOD. Estimates sometime between Yom HaKippurim and Sukkot = September 22/23 – September 27/28, 2015.

When you see nemesis from behind the sun, and hellion to its right and nibiru below the ecliptic and near to the sun, we're close.

Estimated impact:

Travel from west to east, as it approaches eastern atlantic.

Impact site estimated to be in a deep sea bed in the atlantic ocean, near Europe, and the direction of the incoming impactor will be off the coast of france, driving a massive tsunami into france and England, flooding London and paris. and a reverse tsunami will hit usa eastern seaboard affecting east coast usa and Canada. Then, it will also directly affect northeastern Africa at: los palmas- its active volcano will erupt and its western flank will fail. This will cause the las palmas tsunami, which will then follow quickly on the heels of the original reward tsunami generated from the original impact, and it will be greater in extent than the first tsunami and more powerful.

Force-energy wave will travel : impact site will be on the Eurasian plate and travel through earth's interior to the opposite side: massive disruption of Pacific seabed, from conchuka area towards antartica, then rebound north and be a rebound wave, causing great

earthquakes and volcanos in rebounding, will then also affecting the western shores of the usa.

Then, as nemesis reaches its perihelion,-closest distance to the sun, then turns southbound, and things get worse. The world gets ready for things that will include a pole shift; worse and worse.

Isaiah 24

18 Then it will be that he who flees the [\[fn10\]](#) report of disaster will fall into the pit,
And he who [\[fn11\]](#) climbs out of the pit will be caught in the snare;

For the windows [\[fn12\]](#) above are opened, and the foundations of the earth shake.

19 The earth is broken asunder,
The earth is split through,
The earth is shaken violently.

20 The earth reels to and fro like a drunkard
And it totters like a [\[fn13\]](#) shack,
For its transgression is heavy upon it,
And it will fall, never to rise again.

21 So it will happen in that day,
That the LORD will punish the host of [\[fn14\]](#) heaven on high,
And the kings of the earth on earth.

22 They will be gathered together
Like prisoners in the [\[fn15\]](#) dungeon,
And will be confined in prison;
And after many days they *will be* punished.

23 Then the moon will be abashed and the sun
ashamed,
For THE LORD of armies will reign on Mount Zion and
in Jerusalem,
And *His* Glory will be before HIS elders.

Recent Event, note:

"seen" by RV Major Ed Dames, "the shot across the
bow", would be a solar flare that would not hit the
earth but be a major wake-up call; then there was a
cme, 2 weeks after the sighting, on Nov. 4, 2003, was
an unprecedented solar flare, an x-45 flare, recorded
by soho satellite, the largest to that date in recorded
history. It was unprecedented. IT shot across the
virtual bow of earth- directly across our orbital path,
if it had, according to some researchers, occurred just
3 months later, in February, then it would have ended
a great portion of life as we know it, on earth. It was

not predicted by the models. It was believed to be on the level of the 1859 carrington event.

From Extreme Tech:L

Prior to the July 23,2012 storm, the largest recorded storm was the Carrington Event of 1859. A massive solar flare and CME struck Earth, destroying much of the Victorian telegraph network in Europe and North America. Other solar storms have hit Earth since then, but fortunately we've only been hit by one large storm during modern times, which caused the 1989 Quebec blackout. The July 2012 storm was roughly twice as large as the event that caused the Quebec blackout — but fortunately, thanks to the sheer expanse of space and the Earth's relatively large orbital distance, we dodged the bullet. "In my view the July 2012 storm was in all respects at least as strong as the 1859 Carrington event," says Daniel Baker of the University of Colorado. "The only difference is, it missed." *Huge Solar Storm of 2012 Would Have Sparked Calamity on Earth*

If the huge solar eruption in 2012 had hit the Earth, the effects would have been so devastating that we'd still be recovering two years later, scientists [working](#) on several new studies conclude.

A huge coronal mass ejection — a large [cloud](#) of hot plasma sent into space — [erupted from the sun](#)

on July 23, 2012. The CME went through Earth's orbit, and ***had it happened only one week earlier,*** our planet would have been in the way and faced severe technological consequences. The CME hot plasma ejection was at about 3000 km/sec. which is about 4x greater than normal. This was really 2cme's, one following the other very shortly after.

A military rv, Ed Dames predicted, that just before the 'kill shot sequence' begins, a world power would use nuclear weapons on the Korean peninsula, and he names, North Korea. This was predicted before N. Korea even had a nuclear weapon.

Just prior, to the 'kill shot sequence', would be a space shuttle type device, being forced down by a meteor shower, or something like that. " all of the warring parties stop and look up, all look up, something happens that they stop fighting, and all go home. And then it starts...

Nasa images of 'black hole on sun, 31/2 million degree plasma has ripped off and coming our way- at about 2 million miles per hour. Was on fox news.

Far, far, far more of a threat to our climate than human activity.” Michael Snyder

We see, since the eighties, graduated changes on other planets as the mini constellation of nibiru is having increasing electromagnetic effects on virtually all planets in our solar system

“Is the number of volcanic eruptions worldwide increasing? “Yes,” answers Michael Snyder in this startling article.

“During the 20th century, there were a total of 3,542 volcanic eruptions globally. That works out to approximately 35 eruptions per year. That may sound like a lot, but according to Volcano Discovery there are 36 volcanoes erupting around the world right now. In other words, the number of volcanoes erupting as

you read this article is greater than the 20th century's yearly average.

“And all of this is part of a larger trend. In 2013, we witnessed the most volcanic eruptions worldwide that we had ever seen in a single year, and 2015 is already threatening to be another one for the record books. All over the planet, volcanoes that have long been dormant are beginning to wake up, and this is greatly puzzling many scientists.”

Snyder goes on to discuss the consequences of a VEI 7 or VEI 8 eruption, wherein he envisages the Earth being flung back into a “pre-civilisation state.”

“The truth is that volcanoes are far, far, far more of a threat to our climate than human activity is,” says Snyder. “All throughout history, volcanic eruptions have instantly changed the climate in a dramatic way.” And that would profoundly affect agriculture.

“Global food production is just barely keeping up with global food demand,” Snyder points out. “In fact, in some years the world actually eats more food than it produces. Global food reserves are at perilously low levels, and so a (volcanic) “year without summer” would be absolutely cataclysmic.”

If a huge solar eruption in 2012 had hit the Earth, the effects would have been so devastating that we'd still be recovering two years later, scientists [working](#) on several new studies conclude.

A huge coronal mass ejection — a large [cloud](#) of hot plasma sent into space — [erupted from the sun on July 23, 2012](#). The CME went through Earth's orbit, and had it happened only one week earlier, our planet would have been in the way and faced severe technological consequences.: In a film clip back in 2013, Dr. David Morrison, “the next impact of a mild sized object will be probably happen without probably any discover if it at all.” “Of the 10 % of the big ones that have been discovered, there is no danger, but I cannot tell you nothing about the 90% that we haven’t discovered.”

It is reported that france will introduce a resolution which would give formal U.N. security council recognition to a Palestinian state. Till now, the key opposition to such a resolution has been the usa but potus has indicated things may well be different this time.

Luke 15

Pray

Preacher:

Do you know THE KING

HE came down

So we could go up

HE put on dust,

So we could put on Glory

HE was silent,

So we could sing

HE dwelt on earth,
So we could dwell in Heaven

HE Lived among men,
So we could live among angels

HE Became sin WHO knew no sin,
So we who were sinners could,
In and through and because of HIM
could become sinless

HE came to those sitting
in the great darkness,
Being THE LIGHT in WHOM we see light

HE Guides the lost, the lonely and the
lame,

To be Found and family and whole

HE is THE LIGHT

To the blind

THE HEALING

To the sick

THE SAVIOUR

To the lost

HE is THE WAY out

THE WAY up

HE IS THE ONLY WAY

HE is THE Truth

Against the lie

HE is THE TRUTH

That causes the lie to die

HE is THE TRUTH that makes you free

HE is THE RIGHT

Against the wrong

HE is The ONE Standing in the storm

HE SPEAKS and silences HIS enemies

HE Talks and amazes men

Kings shut their mouths on account of
HIM,

“for that which had not been told them,
they shall see, and that which they had
not heard, they shall consider.”

HE is THE KING

THE KING of The Jews

The KING of IsraEL

THE KING of the ages,

HE is THE KING of Glory

HE is THE KING of Kings

And THE LORD of Lords and THE GOD
of all gods

WHO is like you, O LORD?

YOU are INCOMPARABLE

INCOMPREHENSIBLE

YOU have no Beginning and YOU have
no End

YOU are THE BEGINNING

YOU are THE END

YOU are THE ALEPH

And YOU are THE TAW

YOU are THE FIRST and YOU are THE
LAST

YOU Alone are EVERLASTING

YOU Alone are ETERNAL

YOU Alone are THE MIGHTY GOD of
Jacob

YOU Alone are THE ALMIGHTY GOD

YOU Alone were born KING in
Bethlehem

YOU Alone are THE BREAKER

YOU Alone have conquered: sin, hades,
hell, death, the grave, iniquity, and every
vile thing

YOU Alone have Conquered the world

YOU Alone are THE DESIRE of the
nations

To YOU ALONE every knee should bow

To YOU ALONE every tongue should
confess: That YESHUA HAMASHIACH =

JESUS CHRIST is LORD, to The Glory of
GOD THE FATHER by THE SPIRIT.

We pray LORD to see you more clearly
to love you more dearly and worship
you more sincerely, in Spirit and in
Truth, for such THE FATHER Desires of
all true worshipers, and our desire, is to
be HIS Desire, now, and forever, ever
more... Amen ba-AMEN!
